

Handlungskompetenz (DQR)

The diagram illustrates the structure of Handlungskompetenz (DQR). It is a hierarchical model where the overall concept is at the top, branching into two main categories, which then further branch into specific components. The top level is 'Handlungskompetenz (DQR)' in a light orange box. Below it are two dark teal boxes: 'Fachkompetenz' on the left and 'Personale Kompetenz' on the right. Under 'Fachkompetenz' are two light orange boxes: 'Fertigkeiten' and 'Wissen'. Under 'Personale Kompetenz' are two light orange boxes: 'Selbständigkeit' and 'Sozialkompetenz'.
